## 1. Summer Lemonade Recipe

Miyakonojo is becoming warmer because summer is coming! Here is a recipe for lemonade to help you stay cool!

### Summer Lemonade Recipe

#### Ingredients:

100 grams sugar, 175 ml lemon juice, 800 ml water, lemon slices, ice

1. In a medium saucepan, boil sugar and 100 ml water together, stirring occasionally, until the sugar dissolves and becomes syrup. Let the syrup cool down for 5 minutes.
2. In a pitcher, stir the syrup, 175 ml lemon juice, and 700 ml water together.
3. Drink the lemonade with ice and lemon slices in the cup.

## 2. James' Update

Hello, everyone! I have been working from my apartment because of Coronavirus. I am lonely, but I need to be healthy when I travel back to America. I will return to America on August 3<sup>rd</sup>!

In May, I travelled to Fukuoka City to renew my passport. It will expire in June, so I went to get a new one. I am happy I have a new passport, but I must not go to TOKO until June 12<sup>th</sup>. I cannot wait to see students after I am sure I am not sick!
