3. Where is the company located?

## 1. The Cincinnati Reds (シンシナティレッズ)

During my trip to Ohio (オハイオ), I visited the stadium where the Cincinnati Reds, an MLB baseball team, play their games. The stadium was very beautiful. I went to the stadium with my aunt and uncle. Their names are Lisa and Mark!

I really enjoyed looking at the buildings and taking pictures with my family. If you want to see pictures from my trip, please go to the English board outside the teacher's office!
