29<sup>th</sup> September 2011

Hello everybody.

From now, I'll introduce a new ALT.

She is Ellen Robertson.

She is from Wales in the United Kingdom.

She studies law at Oxford University.

Ellen wants to learn Japanese and know a lot of things about Japan.

Please speak to her actively and tell her many things.

Of course in English.

Ellen is an English teacher of you.

All of you are Japanese teachers.

I hope you will make friends with Ellen.

Then Ellen, please introduce yourself.
