Izumigaoka junior high school has eight clubs. I introduce the sports clubs (five).

Men and women can play tennis & basketball.

First, Tennis club.

they play in sShiei tennis court. They don't play soft tennis, they play hard ball tennis, but most junior high schools have only a soft tennis club, because our tennis club absolutely joins the Cyutairen in prefectural competition.

Next, basketball club.

I belong to this club; thirteen students belong to men's basketball club. Our specialty is that we can play basketball with Izumigaoka high school students! We can see high school student's nice plays, and we can learn with high school students.

They are very kind and play well. I respect them very much.

Last, I introduce the badminton club.

That club, men can't belong to. For some reason, we don't have our own badminton club.

There is only a women's badminton club.

There clubs are very fun, and strong.
