At Izumigaoka junior high school, there are forty students per class. I will spend four years at school with those friends. Sometimes I worry and get hurt by my friends. However among my friends there are friends who help me when I am troubled and friends who stand by me. I value such friends and want to be able to help them when they are in trouble. Spending four years with the same group can be bad. But, there are things much better than that.

Hello Ms. Brenda. In today's diary, I would like to introduce the charm of Izumigaoka junior high school. The good thing about Izumigaoka is that it is wide. It's spacious, so you won't get bored after school. Izumigaoka is well stocked with science lab equipment, and there is a piano in the music room, so you can learn more deeply and enjoyably.

Next, I will explain the merits of 2A. The good thing about 2A is that it's energetic. Anyway, energetic and I get a little angry, but I love this noisy classroom. Everyone in 2A is unique and interesting. We are very comfortable with each other because we are trying to understand each other. But what I am most proud of at this school is not the amount of lab equipment or the amount of space. I am most proud of my friends. They are really funny, kind, and supportive. I would like to cherish my friends and colleagues and spend my time in Izumigaoka with greater pride.

I think the charm of Izumigaoka is that we can have a fulfilling life here.

First, Izumigaoka has a lot of good teachers. So their classes are very easy to understand and very beneficial.

Next, everyone has funny classmates. At first, I had a very serious image of my classmates. But, I only have interesting classmates. I feel very safe with them and have fun with them. Izumigaoka has many interesting classes. For example, "C-time", and "SET". C-time is when we learn English with an ALT teacher. Learning to use Sugoroku and Power Point is very interesting, and it's like everyone plays a game. So everyone smiles and enjoys learning. SET is an abbreviation for Self Education Time, its self-study time. But, student can't self-study notebooks. So, we can't use exercise books for a very long time.

In summary, Izumigaoka is a very interesting school and there are a lot of interesting points about my school. Of course, the entrance exam is difficult, but there are many fun times ahead. So, I'm glad that I took the entrance exam. I want a lot of people to aim for Izumigaoka!

Hi, Ms. Brenda. Today, I will introduce the charms of Izumigaoka that I think it has. First, I will talk about Izumigaoka's classes. Izumigaoka students can take classes on a variety of topics with interesting teachers and reliable classmates. Second, there are various facilities. For example, there are ordinary facilities such as a gymnasium and a library. But it is also attractive that there are facilities that other schools do not have, such as a volunteer hall and a shop.

Lastly, I feel that it has been a year since I came to this school and I am really glad that I came here. At first, I didn't want to go to Izumigaoka, but I was able to do it thanks to the 2A. I will continue to do my best.

Hello, Ms. Breanda. Today, I will introduce about Izumi J.H.S.

J.H.S's good point is very funny teachers. Each teacher has their own unique side, and that makes all of them very attractive and interesting. I love them! Another good point of Izumi J.H.S its an environment is perfect for studying. Sometimes school feels hard, but it is very educational!! The other good point is that there are a lot of field trips. Izumi J.H.S's field trips include many kinds. In example a college visit, a company visit, and a work place experience! A work place experience is when we find our own work experience. It is very difficult and makes me very nervous. I will go to "Nihon Joho Create Co.,Ltd. I'm looking forward to it!!

But, Izumi J.H.S has some bad points too. There is very little variety in clubs and teams! We don't have soccer or volley ball! Where is my youth!! ? ? This makes me very sad...?? Another bad point is that we have a lot of textbooks!! I hate studying because it's very hard!! I am always tired and busy...At home, I do my homework all the time! Oh my god... But, I love my school!

Izumigaoka J.H.S is a fun school because Izumigaoka's teachers and students are very kind and funny. And they are very individualistic. Izumigaoka's teachers' classes are always so much fun! But we are not happy on Thursday mornings because we have the 'Mojiryoku' exam. The 'Mojiryoku' is an exam of Kanji. I didn't pass it several times. And I did a redo... We don't like 'Mojiryoku'. Next, I would like to introduce my favorite place in Izumigaoka. My favorite place in Izumigaoka is the fourth floor connecting corridor because it feels so good to eat lunch and look at the beautiful sky with my friend there. There are many nice places in Izumigaoka. Izumigaoka J.H.S's best thing is that we are active with Izumigaoka H.S students. I am glad I came to Izumigaoka J.H.S! Please enjoy Izumigaoka J.H.S!
